

HAPPY NEW YEAR

We hope you had a great holiday season with your loved ones. Now it's time to hit the ground running as we start a fresh new year!

2011 was an incredible year and we want to thank you for being a part of it! In 2011, Girl-Clutch branched into Oregon and British Columbia, Canada. We had our first group track day event at Spring Mountain Motorsports Ranch in Pahrump, NV. We had our first annual Easter/Anniversary Ride and BBQ, which included a scavenger hunt for Easter eggs (which housed extra raffle tickets).

UPCOMING EVENTS

Be sure to mark your calendars for Saturday, April 7, 2012, for our second annual Easter/Anniversary Ride and BBQ. This year, it will be held at Cycle City Motorsports in Irvine, CA. We are hoping Oregon and Canada will once again join us in the celebration by having rides/events of their own! More information to follow!

WORLD WIDE WEB

We've got some changes in store with Girl-Clutch; namely website redesign, which will now house all of the featured articles we've all looked forward to read every month; Featured Riders (nationwide), Leah Stunts, Stunt Days, Thunder Alley, Psycho Kitty and our newest column Live Full Out by Lauren Denos of California which will feature health, fitness and wellness tips! You can view the newest articles, as well as previous articles in the "Clutch Corner" part of our website. Clutch Angels, where you can memorialize our fellow female riders who have passed, will also be moved into Clutch Corner.

Tech Tips, Product Reviews, and Ride/Event Recaps will be housed in our "Off The Chain" section, where you can get step-by-step tutorials on bike maintenance, and reviews on different products. You'll also be able to read/watch reviews on previous rides and events.

"GirlClutch Worldwide" will remain to get localized event information and announcements in Southern California, Oregon and British Columbia, Canada.

We will be re-vamping the "Clutch Swag" store to make it more user-friendly, as well as adding a feature to reserve/pre-order new merchandise and products as they come.

We're looking forward to an even better 2012 and riding with you girls! Until next time, keep the rubber side down, the shiny side up, and we will see you soon!
